

20th MDG - Patient Integration Program

Our Vision: An Empowered Team Providing a Healthcare Experience Second to None

The 20th Medical Group is seeking a few highly-motivated patients who are interested in promoting patient-centered care by sharing their insight & experience through our Patient Integration Program!

- Participants will be embedded into committees and functions to work side by side with Medical Group leadership.
- Active Duty E-1 to E-6/O-1 to O-3, retirees of all grades, and corresponding spouses are encouraged to apply.
- Applications are being accepted now through 11 Mar 2015.

If interested, contact:
