Recently, my daughter (in a wheel chair) went to Club Shaw to play bingo and there was no handicapped restroom. We asked if they could please try to provide one. Two months later, there's still no handicapped restroom. Please help us with this problem. We apologize for any inconvenience and are

happy to note the restrooms are now complete and operational. We appreciate your patience as we've worked through and solved several construction problems.

## Kudos

I would like to recognize and thank 1st Lt. James Parris, 20th Medical Group physician assistant. He is our primary care manager. During our time in his care, he has shown deep compassion and commitment.

He has gone out of his way to assure we are taken care of in the manner he expects of himself and others.
