

## STAFF SERGEANT BRANDON S. WEISS

SSgt Brandon Weiss is an F-16 Fuel Systems instructor at 372 Training Squadron, Detachment 202. Here he trains Fuel systems personnel on all aspects of the airframe to include Theory of Operations, Fault Isolation, and repair as well as Hydrazine servicing.

SSgt Weiss entered the Air Force in May of 2018. He completed Fuel Systems training at Sheppard AFB in September 2018. Since then, he has held a variety of positions within fuel shop. Prior to his current position, SSgt Weiss was the Shift Lead for fuel shop with the 378<sup>th</sup> at Prince Sultan Air Base, Kingdom of Saudi Arabia.

SSgt Weiss has deployed twice to Prince Sultan Air Base in support of Operation Spartan Shield and Operation Inherent Resolve. During these deployments he was involved with missions that impacted relations with allied nations.
