

BIOGRAPHY

UNITED STATES AIR FORCE

STAFF SERGEANT AUSTIN K. DENNY

SSgt Austin Denny is an F-16 Avionics Systems Instructor at the 372d Training Squadron, Detachment 02, Shaw Air Force Base (AFB), S.C. Sergeant Denny provides mission essential training on Integrated Avionics Systems. These systems are comprised of attack control systems, flight controls, instrumentation, communications, navigations, and penetration aids integrated into three different courses.

Sergeant Denny entered the Air Force in April 2018 from Mt. Vernon, Kentucky. He graduated technical training in December 2018, marking the beginning of his career as an F-16 Avionics Specialist. Over his 7-year military career, Sergeant Denny has progressed into such positions as Viper Demonstration Team Avionics Specialist and Dedicated Crew Chief. During his time he also deployed in support of Operation INHERENT RESOLVE. Prior to his current position, the SSgt was the F-16 Viper Demonstration Team Avionics Specialist, 20 Maintenance Group, Shaw AFB, S.C.
