

STAFF SGT. JAKOB DULL

Integrated Avionics Specialist

Staff Sgt. Jakob Dull is an Integrated Avionics specialist for the F-16 Viper Demonstration Team.

As an avionics specialist, he is responsible for ensuring the aircraft's communication, navigation, RADAR, and electronic warfare systems are operational.

He represents Air Combat Command, the United States Air Force and the Department of Defense at more than 20 airshows annually.

His mission is to ensure the demonstration pilot has a safe aircraft to perform an aerial demonstration for millions of spectators.

Staff Sgt. Dull enlisted into the Air Force in April 2022. He is from Morocco, Indiana and enjoys gaming and photography.
